

main

```
graph LR; main[main] --> test[test_2_1_ePowerSensorLna  
AlarmRun_InvalidParams_Fail];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box, on the left, is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains two lines of text: 'test_2_1_ePowerSensorLna' and 'AlarmRun_InvalidParams_Fail'.

test_2_1_ePowerSensorLna
AlarmRun_InvalidParams_Fail
