

main

```
graph LR; main[main] --> test[test_1_7_ePowerSensorBooster  
AlarmRun_InputLow_And_OutputLow  
LimitAlarm_NoLos_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is gray with a black border and contains three lines of text: 'test_1_7_ePowerSensorBooster', 'AlarmRun_InputLow_And_OutputLow', and 'LimitAlarm_NoLos_Success'.

test_1_7_ePowerSensorBooster
AlarmRun_InputLow_And_OutputLow
LimitAlarm_NoLos_Success
