

main

```
graph LR; main[main] --> test[test_5_2_ePowerSensorsConfig  
UpdateLna_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is gray with a black border and contains two lines of text: 'test_5_2_ePowerSensorsConfig' and 'UpdateLna_Success'.

test_5_2_ePowerSensorsConfig
UpdateLna_Success
