

main

```
graph LR; main[main] --> test[test_3_8_ePowerSensorUpdate  
_boostChannel1_LnaChannel0  
_noAlarms_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box on the right. This second box has a gray background and a black border. It contains three lines of text: 'test_3_8_ePowerSensorUpdate', '_boostChannel1_LnaChannel0', and '_noAlarms_Success'.

test_3_8_ePowerSensorUpdate
_boostChannel1_LnaChannel0
_noAlarms_Success
