

vEnableLna_CMockExpect

```
graph LR; A[vEnableLna_CMockExpect] --> B[CMockExpectParameters_vEnableLna]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'vEnableLna_CMockExpect'. The right box is gray with a black border and contains the text 'CMockExpectParameters_vEnableLna' on two lines.
