

main

```
graph LR; main[main] --> test[test_1_11_ePowerSensorBooster  
AlarmRun_NoAlarm_Los_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box on the right. This second box has a gray fill and a black border. It contains two lines of text: 'test\_1\_11\_ePowerSensorBooster' on the top line and 'AlarmRun\_NoAlarm\_Los\_Success' on the bottom line.

test\_1\_11\_ePowerSensorBooster  
AlarmRun\_NoAlarm\_Los\_Success
