

main

```
graph LR; main[main] --> test[test_2_10_ePowerSensorLna  
AlarmRun_OutputLow_And  
_InputHighLimitAlarm_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is gray with a black border and contains three lines of text: 'test\_2\_10\_ePowerSensorLna', 'AlarmRun\_OutputLow\_And', and '\_InputHighLimitAlarm\_Success'.

test\_2\_10\_ePowerSensorLna  
AlarmRun\_OutputLow\_And  
\_InputHighLimitAlarm\_Success
