

main

```
graph LR; main[main] --> test[test_6_2_ePowerSensorsConfig  
UpdateBooster_Success];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box, on the left, is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains two lines of text: 'test_6_2_ePowerSensorsConfig' and 'UpdateBooster_Success'.

test_6_2_ePowerSensorsConfig
UpdateBooster_Success
