

main

```
graph LR; main[main] --> test[test_1_20_ePowerSensorBooster  
AlarmRun_LowInputLimitBelowThreshold  
_NoLos_Success];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'main'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is gray with a black border and contains three lines of text: 'test\_1\_20\_ePowerSensorBooster', 'AlarmRun\_LowInputLimitBelowThreshold', and '\_NoLos\_Success'.

test\_1\_20\_ePowerSensorBooster  
AlarmRun\_LowInputLimitBelowThreshold  
\_NoLos\_Success
