

main

```
graph LR; main[main] --> func[test_5_6_eCurrentSensorUpdate_LnaCurrentHigh_LnaAlarmRaised_Success];
```

The diagram illustrates a function call. A white rectangular box on the left contains the text 'main'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box contains the function name 'test_5_6_eCurrentSensorUpdate_LnaCurrentHigh_LnaAlarmRaised_Success' in three lines.

test_5_6_eCurrentSensorUpdate
_LnaCurrentHigh_LnaAlarmRaised
_Success
